10/11/07 SOURCE Meeting Minutes

SOURCE Officers Present:
Co-President: Barbara Ryan bhryan@eden.rutgers.edu
Co-President: Daniel Fahl dfahl@eden.rutgers.edu

The meeting came to order at 5:45 PM.

I. Tours
Daniel reported on the recent tour of the RU Archives and discussed the upcoming tour of the New York Academy of Medicine. He announced that this would be a joint tour with LISSA, with the NYAM tour occurring in the morning, and a tour of the New York Public Library potentially being arranged for the afternoon.

Michael Montalbano reported that he had been unsuccessful in contacting the Director of the Institute for Jazz Studies, but that he would try to arrange a tour for the spring semester.

Barbara volunteered to look into the possibility of touring the David Sarnoff Library & Museum in November or December.

II. Book Workshop
Barbara reported that the original book construction workshop scheduled for December 1 had not worked out. Instead, a book repair workshop designed for circulating books will be led on the same date by an employee of the Monmouth County Library.

The instructor’s fee depends on the number of participants, but would not exceed $450. All agreed that Barbara should proceed with the book repair workshop, although there was some disagreement as to how much participants should be charged.

III. Fundraising Activities
There was some discussion about possible fundraising activities, but no conclusions were reached.

IV. Adjournment
